WEST GERMANY

Dear Mr. Stacey,

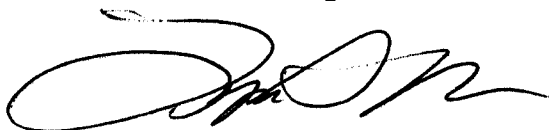

Thank you for expressing your interest in our 375 computer. As per your request, I have prepared the following quote:

375 non-ethernet computer	\$ 4995	
85 MB Winchester drive option	\$ 1100	
SCSI interface option	\$ 600	
50 MB Cassette Drive (ext unit)	\$ 850	
Shipping and Handling:	\$ 180	airfreight Europe-insured
TOTAL:	\$ 7725	

The external tape drive comes with its own casing, power supply and cable and is connected to the external SCSI connector on the back of your unit.

This quote is valid for 30 days from the above date. All shipments out of the country must be prepaid. Any needed application for export can be handled by Symmetric. However, payment through customs is the responsibility of the customer. I have attached the current price list as validating information. I hope this information will be of use.

Cordially,

Lynne G. Messner
General Manager
